Send in your deposit. A \$200 deposit holds your order. Cheques are payable to **Trail's End Beef**, Box 1444 Nanton, Alberta T0L 1R0. Or through e-transfer to tylerandrachel@trailsendbeef.com. (403)601-5467.

Balance is due when we notify you with the wet carcass weight. Butchering runs from July-October.

1) **Beef Price paid to Trail's End** is \$4.75/lb. based on wet hanging weight (Sides range from 300-425lbs). Packaged beef will yield approximately 60% of wet weight. Thus, a 350lb Side will yield around 210lbs of beef. An average Side will be roughly \$2000 in total (beef, butchering, and delivery).

2) **Butcher's fees are paid to Prairie Meats** by credit card over the phone. A fee of \$1.10/lb wet hanging weight, includes processing, cutting and wrapping. Additional charges apply for: offal processing; sausages, patties, jerky etc. For details call (403)345-2190. **Your order will be custom cut and wrapped by Prairie Meats.** They will contact you by phone or email to get your cutting instructions.

Delivery to a central pickup location in Calgary is **included in the price of your beef.** Or come and visit the ranch on delivery day. Alternately, pickup your order at Prairie Meats in Coaldale.
